Disclaimer and Signature

I hereby authorize Red-Spectrum Communications to have access to my property located at the service address. This authorization is for the purpose of installing a dedicated fiber-optic/wireless antenna equipment to my home/business at the provided address. I understand as part of the installation process, employees of Red-Spectrum may need to bury fiber and/or drill holes in the walls to attach hardware to the properties exterior or interior in order to facilitate the reception of service. I recognize that this is part of the normal installation process as such, I will not hold Red-Spectrum responsible for any damage or structural alteration to my property arising from the installation. I have read, understand and agree to Red-Spectrum's "Terms of Service, Acceptable use of Policy, and Privacy Policy."
